

## **Career Help @ Sippel Glidden**

Sippel Glidden maintains a resource list of skilled talent – people who are available to assist us in client engagements by extending our core capacities or by adding unique skill sets to the service mix required for a particular project.

We are always pleased to review the resumes and meet with individuals currently involved in full-time job search, or visit with those seeking to re-establish or re-direct their careers locally with a part-time schedule or on a more flexible contract basis. To discuss your career interests, and the opportunities Sippel Glidden may offer, just call 507-269-6878. We are happy to assist you in any way possible.
